I am pleased to learn that the Directorate of Distance Education, University of Jammu, Jammu is bringing out Prospectus-cum-Admission Form for admission to three year B.A./B.Com. Course for the session 2010-11.

Education is a major instrument which transforms the society and the Directorate of Distance Education of the University is engaged in enhancing access and quality of education through distance learning mode. The University has to reach out to civil society outside it, and create new standards of excellence.

I send my greetings and good wishes on the occasion.

Varun Sahni
